6.02 Permission to play in an association outside the boundaries of residence

A candidate who resides within the boundaries of an association and desires to play baseball in another association may do so providing the Association of residence does not provide, either on its own or in combination with another Association, the level of play that the candidate is capable of playing i.e. The Association of residence provides a (A or AA level within a division but the candidate is capable of playing at a AA or AAA level. The player may apply for Preliminary Try-Out Approval from the Player Eligibility Chair by emailing a Player Eligibility Chair member with their intentions in order to try out for an AA or AAA team at the indicated Association.

The following expedited procedure shall be followed:

- (i) The player's residential Association shall declare in writing that it will have no level of play that the candidate is capable of playing in the player's age division for the current season.
- (ii) Should the player be selected for a AA or AAA team, he/she shall process an Application for Player Movement to remain at the new Association for the current season only.
- (iii) All players must first register with their residential Association. Should an Association fail to have sufficient players to form a team in the divisions in question, it may release the players to another Association(s) that will accept them.
- (iv) No player movement shall take effect until approved by the Player Eligibility Chair. In order for this paragraph to apply, the candidate must make the roster of a team in another Association at the higher level. If the candidate is not successful in making a team roster at the higher level he will return to the Association of residence.

6.03 Obtaining Releases

- (A) Written approval, in the form of the B.C.B.A. Player Movement form must be obtained from the ruling Association executive in the event that a candidate is desirous to play within the boundaries of another Association. - (B) The completed Player Movement Form agreed to and signed by two association presidents must be submitted to the B.C.B.A. Player Eligibility Chair for approval. This release shall not be considered valid until an approved copy of the release has been returned to the Receiving Association by B.C.B.A. Therefore, players to whom this paragraph applies will not be considered as properly registered until the Receiving Association has the properly completed and the approved Player Movement Form signed by the B.C.B.A. Eligibility Committee in hand. Refer to paragraph 1 above.
- (C) It is the responsibility of the ruling Association executive to ensure that candidates qualify to residence eligibility. - (D) A player released to an association to try out for a higher level teams, not offered by the releasing association, who does not make the team, must return to the releasing association.
- (E) The Player Eligibility Chair of B.C.B.A. is in place to deal with any "appeal" situation where the family of the affected player feels there is some hardship in this decision and they are deserving of further consideration. Extenuating circumstances would of course be an "Appeal" by the family to have the child play with another Association because of some personal hardship.
- (F) The Player Eligibility Chair shall have the authority to refuse any application for player movement, giving cause. The Chairperson shall advise the affected Association President by email or writing of the decision, outlining the reasons for refusal, within 48 hours of the decision. A copy of the Chairperson's letter shall be forwarded to the player's parents.

Where an application is rejected due to lack of information and the applicant or the Association is able to provide the Committee with additional information, the Committee will re-evaluate the application within 7 days of receipt of the additional information.

- (G) Should an Association use any player prior to approval of that player's Application for Player Movement or Preliminary Try-Out Approval from the Player Eligibility Chair, including allowing the player to participate in training camps or practices, or playing the player in any game, such Association shall be fined a minimum of \$200.00 per player, as well as be subject to suspension. The team officials or any coaching staff who knowingly allows players who have not be

properly approved to play or practice with their team involved shall be subject to a suspension of not less than 30 days. A fine under this clause shall not exceed \$3,000.

However, with the exception of Residential Moves an Association may allow a player, whose Application for Player Movement is "Subject to Approval" from the Player Eligibility Chair to practice ONLY with the proposed new team/Association. The player will not be able to participate in exhibition, tiering/regular season, or tournament games until approval from the Player Eligibility Chair has been granted. Should the application be denied, then the player would return to his/her old Association.

An Application for Player Movement shall be considered "Subject to Approval" when the following conditions have been met:

- (i) The Application for Player Movement form and all relevant supporting documentation is in the hands of the Association President, and
 - (ii) The Association President has faxed or emailed the completed Application for Player Movement to the B.C.B.A. Player Eligibility Chairperson. Note 2: A player movement granted contrary to Rule 6 of these Rules and Regulations, or to the appropriate boundary Regulations, shall be invalid. An Association granting such a release shall be subject to fine or

Note 3: Any refusal to grant player movement may be appealed to the Player Eligibility Chair of B.C.B.A.)

- (iv) The player shall next obtain an indication of the willingness of the proposed new Association to accept him or her, as indicated by the signature of the following Association officer: president, or in his/her absence vice-president.

Note: An Association indicating willingness to accept a player when the resulting player movement would be contrary to this Section or to the boundary Regulations shall be subject to fine or suspension at the discretion of a majority of the B.C.B.A. Executive Committee.

- (v) The completed Application for Player Movement Form shall be submitted to the B.C.B.A. Player Eligibility Chairperson and shall be held for consideration by the B.C.B.A. Player Eligibility Committee. No player movement shall have effect until approved by the Player Eligibility Chair.

- (vii) No application shall be considered without the consent of both the player and the player's parent(s).
- (viii) Player movement applications shall be considered only if received at the B.C.B.A. Player Eligibility Chair, by the following dates: (No "AA" or "AAA" Team in the Association Division.)

This written notice is due to the B.C.B.A. 14 days prior to the start of the regular season.

 - Exception: A player who has played one-half (1/2) of their team's games above who may have moved within the boundaries of another Association, during the current season, will be eligible for tournament competition with the Association with which they were initially registered.
 - A player may play on only one tournament team in a calendar year at the same level.

Except for 13U (PeeWee) AAA which must declare their intentions by June 1.

Any Association, who commits to playing in a summer program and withdraws from the league after July 1st, may be fined \$250.00.

9.04 Number of Teams Required

(A) 11U and 10U (Mosquito) Summer Play

- (i) For 11U (Mosquito AA and AAA), players who have not reached their 12th birthday by midnight December 31st of the current playing year. For 10U (Mosquito A) players who have not reached their 11th birthday by midnight December 31st of the current playing year.

In this Division teams for summer ball will be determined based on their Association's division registration for spring ball as follows:-

142 or more registered 13U (PeeWee) players – such Associations must field 2 “AAA” teams.

65 or more registered 13U players – 1st team must be AAA

39 – 64 registered 13U players – 1st team must be AA

0 – 38 registered 13U players – 1st team may be A.

Notes:

- (i) These numbers form the basis for team placing for Summer Allstar teams and are to be used as a starting point only.
- (ii) Associations may apply to move up or down depending on their situations year by year. Some examples of moving down would include but are not restricted to: i) Low registration of second year players; ii) Poor turn-out of their “All-star” caliber players for summer play; iii) Overall lack of talented players in a given year.
- (iii) Directors of the 13U Division shall review each application individually and make their recommendations to the B.C.B.A. Board of Directors for approval. The 13U Directors will research the applications and make their recommendations based on the following: i) Spring inter lock performance; ii) Tournament Results; iii) The 13U Director's own observations throughout the year; iv) Feedback from other associations

during inter-locking. The B.C.B.A. Directors will make a ruling on each case no later than June 22nd each year.

- (iv) The 13U Directors for B.C.B.A. may also request for an association to “play up” despite having numbers to the contrary. This request would be based on the following:

Spring inter lock performance;

Tournament results;

The 13U Director’s own observations throughout the year;

Feedback from other associations during inter-locking.

B.C.B.A. will request such a move of the Association to play up by June 15 each year. B.C.B.A. Board of Directors shall permit appeals of this decision up to and including June 22nd each year.

- (v) For the purpose of determining an Association’s numbers the following criteria shall apply: i) Organizations must include all registered 13U (PeeWee) players to determine the number; ii) Associations merging for summer play must include all 13U (PeeWee) players from the merging Associations to determine numbers. NOTE – a merger for this purpose shall remain more than three players.

- (vi) In the event an Association chooses not to field a team in the division specified by B.C.B.A. then all efforts shall be made to provide the opportunity for as many of their players to play summer ball as possible.

- (vii) Associations who tiered in the spring will be permitted to field an “A” Allstar team regardless of whether they first entered an “A”, “AA”, or “AAA” team provided that all their players come from with-in their regular season “A” team roster(s).

Any remaining “AA” or “AAA” players may be released to adjacent associations to try-out for teams at that level. Those releases must be done before July 1 each year.

- (viii) 13U (PeeWee) summer ball teams can have a maximum of three players who do not reside within the boundaries of their association on their roster.

Players who reside in open or neutral territory count towards out-of-Association numbers.

(C) 15U (Bantam) Summer Play

Associations may field any number of 15U A teams.

The 15U Directors for B.C.B.A. may also request an Association to “play up” despite having numbers to the contrary. This request would be based on the following:

- a) Spring Inter-Lock Performance
- b) Tournament Results
- c) 15U Director’s own observations throughout the year and feedback from other Associations during the year.

In the case of 15U AA team being requested to play 15U AAA, the team would be required to enter the 15U AAA Wild Card Tournament and earn a Provincial

Berth, similar to a Zone Tournament. If the team is not successful, they will not be permitted to participate at the lower tier.

(C) 18U (Midget) Summer Play

Associations may field any number of 18U AA teams.

9.05 Release of Players/ Mergers

An Association who is unable to field their own all star teams may release their players to join other Associations for all star play, subject to receiving prior approval from B.C.B.A.

To constitute a merger the release of players from one association to another shall be

- A) 10U – four or more players
- B) 11U – four or more players
- C) 13U – four or more players
- D) 15U – merger by request otherwise Rule 6 applies
- E) 18U – merger by request otherwise Rule 6 applies

B.C.B.A. will use the following criteria to evaluate the request:

- (i) Has the merging association played in an interlock basis during regular season?
- (ii) What is the size of player pool represented by the merging Association?
- (iii) Applications for merged teams must be received by B.C.B.A. no later than June 1 (or the first Tuesday regular B.C.B.A. meeting). If the application has not been received prior to June 1 the associations may not be allowed to merge for post season play.

The philosophy in allowing merged teams is to provide for smaller Associations who might not otherwise have an all star team to join with another Association to establish an opportunity for more players to participate in post season play.

Note: When applying for a merger the number of players in the pool will determine the level of play to be entered (ie AA or AAA).

9.06 Number of Players

All players must be registered with an Association player agent.

- (A) Each team in the 15U (Bantam) and 13U (PeeWee) divisions may be comprised of a maximum of fifteen (15) uniformed players. There is no minimum number required.
- (B) Each team in the 18U (Midget) division may be comprised of a maximum eighteen (18) uniformed players. There is no minimum number required.
- (C) Each team in the 11U & 10U (Mosquito) divisions must have a minimum roster of 12 players. All players in attendance at a game must play and be on the line-up card.

- (i) During summer league play teams may play with less than 12 players in the event of player unavailability.
- (ii) During a Provincial Championship teams must begin the tournament with a minimum of 12 players present and on the line-up card. Failure to begin the tournament with 12 players present and on the line-up card will result in the team being disqualified from the tournament.
- (iii) In the event that a player becomes injured or ill during the Provincial Championship the B.C.B.A. Director must be notified and be satisfied that the injury or illness is legitimate. Under special circumstances the B.C.B.A. Director may request a doctor's note. In the event a player has religious convictions (ie. cannot play Sundays) the B.C.B.A. Director must be informed prior to the beginning of the Championship.
- (v) If a team drops below 12 players during the Championship for other reasons the B.C.B.A. Director may disqualify the team or apply another penalty, such as an automatic out, at the Director's discretion.
- (vi) In the event that a team's roster drops below 12 players during the summer league (injury, illness, player quits, etc.) the team must immediately inform the Division Chair who will determine how to proceed. Every attempt must be made to replace the player and return to a 12 man roster. Teams are encouraged to carry 13 player rosters to avoid problems with this rule.

Note: Exceptions may be permitted to this rule for individual league requirements with B.C.B.A. Executive approval.

9.07 Number of Coaches

Each team may be comprised of any number of coaches who must be listed on the team roster. Other than a bat boy who must be registered to the association for insurance purposes no other individuals will be permitted on the field or bench.

Team travelling to Western or National Championships may be restricted to three or four coaches by those governing bodies.

9.08 Submission of Summer Rosters

- (A) Each team entering summer play must complete an official B.C.B.A. team registration form (available online).

 - (ii) Each Association President shall confirm the eligibility of the players on the tournament team representing the Association by signing the roster form.
 - (iii) All Summer League Rosters must be submitted to the Division Director by July 1. Failure to supply the roster on time may result in the association's ineligibility to complete in post-season provincial play downs.

9.09 Roster Changes

- (A) Once the team registration form has been mailed to the B.C.B.A. no change can be made on the player roster except for illness of, or injury to, the players listed.
- (B) Any replacement of a player on the tournament team for reasons of injury or illness to the player must be supported and dispersed as follows:
 - (i) Written certification from the attending physician and Association President as to the conditions necessitating the replacement.
 - (ii) The original statement or statements **MUST BE** attached to the first copy (original) of the Eligibility Affidavit and carried with the team to all future tournament competition games.
 - (iii) Statements, as required in Rule 9.09, must be sent to the B.C.B.A. Director responsible for the administering the summer division.
 - (iv) If a selected player leaves the team and is replaced by an alternate player, the replaced player may not be returned to the team roster. However, when going to the Western Canada Tournament or National Tournament, the replaced player may be re-acquired as one (1) of the pickup players.
- (C) The replacement player must have played for the team's association during the spring season. Replacements from other associations are not permitted.

If the replacement player is not on a summer roster he must have played at an equal or lower level within the same age division during spring play. For example, a 15U (Bantam) AA team may use a replacement from 15U AA or A. The replacement player may be on another summer roster of a team at a lower level within the same age division in the same association. In this case, when added as a replacement player, the player shall be deleted from the other roster and may not be re-added at a later date. If an association has two summer teams at the same divisional level (for example: two 13U AA summer teams) the replacement player cannot come from the other team at the same level.

9.10 Producing Rosters

It is basis for protest when the Business Manager, Manager or Coach of a tournament team fails to present the Team Registration Form and Birth Certificate or documents and entry fee cheque (or cash) at the scheduled pre tournament coaches meeting or at least thirty (30) minutes before scheduled game time when requested to do so by the Tournament Director or a B.C.B.A. representative, or the Business Manager, Manager or Coach of an opposing team. The failure to produce the documents shall result in a \$ 500.00 fine and the team may be disqualified from the tournament.

Rule 10: Managing and Coaching

10.01 Age

Managers and coaches should be of the legal age of nineteen (19). However, in the event underage managers and coaches are to be utilized, the Association executive must satisfy itself that these managers and/or coaches display the necessary qualifications to be in full control of their team.

11.02 Westerns and Nationals Certification

Teams traveling to a Western Canadian or National Championship must have the prescribed number of certified field staff as defined by the Western Canada Association or Canadian Federation of Amateur Baseball as appropriate. Failure to have this certification will result in B.C.B.A., in conference with the affected association, replacing non-certified field staff with certified field staff.

Rule 12 Participation in Non-Affiliated Leagues or Associations

12.01 Playing in other baseball programs

Players selected for any Association team in accordance with provisions set forth in the "Player Selection Plan" adopted by the local Association will prohibit any player from participating on any team in another baseball program. The primary purpose of this rule is to prevent any possible injury to a young ball player, particularly in the case of pitchers.

The B.C.B.A. director has the authority to use this process during a provincial championship to conduct an investigation into any incident to witnessed or dealt with by the umpires.

The following disciplinary process will be used:

The umpire may speak directly to the individual being asked to leave or may chose to have the appropriate coach communicate this decision to the parent. During the Medal Round (this includes Wild Card) teams will be permitted to play three (3) complete games in one calendar day.

20.07 Required rest between games (applies to Provincial Championships only)

In the 18U (Midget) Division there must be a minimum of one (1) hour rest between games, and in 11U (Mosquito), 13U (PeeWee) and 15U (Bantam) a minimum of one and one-half (1.5) hours.

Rule 21: Obligation of Scheduled Games

21.01 League / Zone / Provincials

All teams participating in a single season format, a provincial tournament (summer leagues, zones or finals), Western Canada Tournament, or National Tournament are obligated to play all games as scheduled and to participate in all scheduled events including pre-tournament meeting and skills competitions.

21.02 Exhibition / Invitational Tournaments

Exhibition games and invitational tournaments entered are secondary to BCBA scheduled games. Entry into exhibition and invitational tournaments require approval as per Article XV. Any change to a B.C.B.A. scheduled game requires the approval of both teams and the BCBA director of the division.

21.03 Forfeit Fine

Failure to participate in a scheduled game or event will result in the offending team's Association being fined \$500.00 per game or may result in a \$ 500.00 fine per event by B.C.B.A.

21.04 Rain Outs (Single Season and Summer League)

All rainout games between same zone teams (ie Vancouver vs Chilliwack / Victoria vs Nanaimo or Kamloops vs Kelowna) must be made up. The game must be rescheduled within 48 hours of the rainout and the makeup date forwarded to Division Director so the schedule can be updated. Games that are not made-up will count as a "forfeit" for both teams.

Rainouts that involve travel for island/interior teams to the mainland or for mainland teams to the island/interior are difficult to makeup. Therefore the following policy will apply.

A) If the game was postponed prior to the away team travelling (for example, before Victoria got on the ferry) the game will be made up.

B) If the away team travels and the game is rained out the game will be made up if one of the teams is willing to travel to play the game. In this case, the game will only be rescheduled by B.C.B.A. if the result impacts provincial qualification (not seeding).

Rule 22: Administration of Games

22.01 Length of Game

7U (Rally Cap)	75 minutes
9U (Tadpole)	6 innings
10U (Mosquito A)	6 innings
11U (Mosquito)	6 innings
All other divisions	7 innings

22.02 Extra Innings

(A) Single Season Leagues – All games will be played to completion playing as many extra innings as necessary. If a tie game occurs, the game must be played until a conclusion. Games will continue to be played following baseball rules for the first and second additional inning. If the game continues to result in a tie, the third additional inning and all other innings played (to complete game) will follow the international Baseball Tie Breaking Rules (as per Baseball Canada Rule Book)

Tie games will only be accepted when called by the umpire due to darkness, rain, or park curfew. (Note: A park curfew must be announced by the home team prior to the game).

Summer Season Leagues – Games tied after one extra inning will be declared a tie game.

Spring Season leagues and local association tournaments will adopt their own rules for tie games.

- (B) During a Provincial Championship or zone tournament all games will be played to completion. There will be no tie games.

Exception

In the 11U (Mosquito) division ONLY if the score is tied after 6 innings one extra inning shall be played. If the game is still tied the game shall be declared over and the game declared a tie. This rule does not apply to semi-final or final games which must be played until a winner is declared. The extra inning will be an open inning.

22.03 Called Games

If a game is called for rain or darkness it is an official (complete) game if five innings have been completed or if the home team has scored more runs in four or four and a fraction half-innings than the visiting team has scored in five completed half-innings.

If a game is called after it is an official game for another reason (light failure, fights, serious injury, etc.) the league director will determine whether the game is completed or whether it is suspended and should be completed as such.

22.04 Suspended games

If a game is called for any reason before it is an official game (as described in Rule 22.03), it shall be considered a suspended game and is to be resumed from the point of curtailment.

22.05 Official Games called during an incomplete inning

When a game is called during an incomplete inning the score reverts back to the end of the last completed inning.

Exceptions: In these cases the score is final at the point the game is called:

- (i) If the home team takes or re-takes the lead in the bottom half of an incomplete inning
- (ii) If the home team was trailing at the end of the last completed inning and ties the game in the bottom half of an incomplete inning
- (iii) If the home team has score more runs in its portion of the incomplete inning than the visitors

22.06 Called Games in a Provincial Championship

If in a Provincial Championship, a game is halted before it is a official game or if a regulation game is halted when the score is tied, or in an incomplete inning, it shall be considered a suspended game and must be resumed from the point of curtailment at a rescheduled time determined by the Tournament Director.

Approved Ruling: Game is called due to rain with the home team winning 9-1 after six innings. In a Provincial Championship this is a suspended game and will be played to completion.

Exception: A game called because of the ten (10) run rule shall be considered a completed game.

22.07 Time Limit (11U and 10U Provincials Only)

In 11U & 10U (Mosquito) Provincial Championships, during all games played in the round robin portion of the schedule, no new inning will commence after 2 hours from official start time.

If a game is within 20 minutes of the time limit after a complete inning the umpires will declare the next inning to be an open inning. If the open inning finishes before the 2 hour time limit expires than an additional open inning shall be played.

In the event that a coaches engages in tactics meant to delay the game for the purpose of having the time limit expire he shall be warned by the umpires. If the tactics continue the coach shall be ejected and the next inning will be played (Note: If the offending team is losing at the end of the inning the game is over). This rule may be applied and enforced by the umpires or the B.C.B.A. Director.

22.08 Mercy Rule

If a team is leading its opponent by at least ten (10) runs after five or more equal innings have been played, or after four and one-half innings if the team second at bat should have a ten run lead at the end of its fourth inning, or before the completion of its fifth inning, the game shall be terminated and the team in front declared the winner. Should a team hit a "walk off" out of the park home run to end a game under the mercy rule all runners including the batter shall be permitted to score (as per the Official Rules of Baseball).

Rule 23: Line-up & Substitutions:

23.01 Spring Play

Associations forming house or interlock leagues are free to make their own rules regarding substitution during Spring play.

23.02 Summer Play (all bat)- 10U & 11U (all levels); 13U A & AA; 15U A

All players will bat in the order they are placed on the line-up sheet, whether they are on the playing field or the bench in any given inning.

- (A) Should a player arrive late to a game his name may be added to the bottom of the batting order.
- (B) In the event of an injury the following shall apply:
 - (i) to a runner - the last out will be allowed to replace the injured player
 - (ii) to a batter - the last out will be allowed to complete the turn at bat (assumes count)
 - (iii) to a fielder - any replacement from the bench

Approved ruling:

This rule may not be used in the case of pre-existing injuries. Teams cannot announce before a game that they have a player who requires a courtesy runner should he reach base. If the player is injured and cannot run from first to second they should not be participating in the game and running from home to first.

- (C) Once an injured player misses's part of or his entire turn at bat he may not return to the game.

Approved ruling:

An at bat ends when a player is putout or becomes a base runner. A runner who is injured may return to the game.

- (D) If a player must leave the park, is injured, or is ejected by the umpire he is simply skipped in the batting order. He is not an automatic out.
(E) Defensive changes may be made at any time.

23.03 Summer Play (9 man ball): 13U AAA; 15U AA & AAA; 18U AA & AAA

Any of the nine starting players may withdraw and re-enter once, provided such player occupies the same batting position whenever s/he is in the line-up. This player may re-enter at any defensive position except s/he may not pitch twice in the same game. A substitute who is withdrawn may not re-enter.

Note: If, for any reason, a team makes an incorrect substitution and is not able to make a legal substitution, the game is forfeited to the other team.

Approved Ruling:

Multiple substitutes may have occupied a position in the batting order prior to the starter being re-entered. Example: Pawlick hitting second. Mundle bats for Pawlick. Sangara bats for Mundle. Pawlick can still re-enter for Sangara.

23.04 Injury Exceptions (9 man ball)

If an injury occurs during a game to a player which makes it impossible for that player to continue in the game and there is no player remaining who is eligible to enter the game because of prior substitutions, then one of the players who has previously been withdrawn from the game may reenter the game.

If a team chooses to use the Extra Hitter and only has ten (10) players on their game line-up, the injured player will be removed from their spot on the game line-up and the game will continue with nine (9) players

23.05 Ejections Exceptions (9 man ball)

If, in the case of the first ejection of the game to a player, there is no player remaining who is eligible to enter the game because of prior substitutions, then one of the players who has previously been withdrawn from the game may reenter the game. If a second ejection to a player of the same team occurs and there are no players eligible to enter the game a forfeit will result.

If, a team uses the Extra Hitter and only has ten (10) players on their game line-up, the first ejected player will be removed from their spot on the game line-up and the game will continue with nine (9) players. If a second ejection to a player on the same team occurs, a game forfeit will result.

23.06 Selection of Replacement Player (injury or ejection)

When a team is permitted to make an improper substitution as a result of an injury or ejection when no fresh subs are available, the opposing manager shall select the replacement player from the players already removed from the game.

23.07 Designated Hitter Rule – 18U (Midget) only

The DH rule shall be an option in the 18U Division only. All aspects of Baseball Canada Rule 6.10 apply. The current game pitcher may only pinch hit for the DH in an offensive inning. A pitching change may only be made in a defensive inning. If the game pitcher is removed from the game he does not become a fresh substitute and is not eligible to re-enter.

23.08 Extra Hitter (EH)

- (A) This rule may be used in any B.C.B.A. league playing 9 man ball as described in Rule 23.03.
- (B) Each team has the option to use an extra hitter (EH) and bat 10 players. The EH must be marked on the line-up at the start of the game and must be used for the entire game.
- (C) The EH may be interchanged with any other position during the game and can be changed multiple times (for example, the SS could become the EH and the EH become the SS).
- (D) At the 18U (Midget) level a team may elect to use an EH and a DH. These rules are completely separate.

Rule 24: Pitching Rules

24.01 Number of Pitches and Required Rest

Division	Spring Season	Single or Summer Season
10U & 11U (Mosquito)	1-25 Pitches = No Rest 26-40 Pitches = 2 Night Rest 41-55 Pitches = 3 Nights Rest 56-65 Pitches = 4 Nights Rest 66-75 Pitches = 5 Nights Rest 75 Pitches Maximum in a Day	Same as spring numbers.
13U (PeeWee)	1-35 pitches = no rest 36-55 pitches = 2 nights rest 56-75 pitches = 3 nights rest	1-45 pitches = no rest 46-70 pitches = 2 nights rest 71-85 pitches = 3 nights rest
15U (Bantam)	1-35 pitches = no rest 36-65 pitches = 2 nights rest 66-85 pitches = 3 nights rest	1-45 pitches = no rest 46-75 pitches = 2 nights rest 76-95 pitches = 3 nights rest
18U (Midget)	1-45 pitches = no rest 46-65 pitches = 2 nights rest 66-100 pitches = 3 nights rest	1-50 pitches = no rest 51-75 pitches = 2 nights rest 76-115 pitches = 3 nights rest (105 for 18U AA)

Note #1: Pitches thrown in warm-up, bullpen, or ruled no pitch by the umpire because time was called prior to the pitch, or thrown when ruled no pitch due to a balk do not count towards pitch count.

Note #2: Pitch count is recorded after each game. A pitcher who requires rest after the first game of the day cannot pitch in the second game. Example: A 15U (Bantam) AAA pitcher who throws 50 pitches in game one is ineligible to pitch in game two.

Note #3: "If a pitcher has two appearances in the same day his total pitch count for the day is combined for the purpose of rest. Example 1: A 15U (Bantam) AAA pitcher who throws 30 pitches in game one and 40 pitches in game two has thrown 70 pitches for the day and requires 2 nights rest.

Note #4: "The following is a definition of a night's rest. Example: Pitcher requires three nights rest after throwing a 1PM game on a Sunday. Pitcher rests Sunday night, Monday night, and Tuesday night and can pitch when he wakes up on Wednesday morning.

Note #5 The total number of pitches thrown by an ambidextrous pitcher are counted for the purpose of calculating pitch count, regardless of which arm or combination there-of is throwing

24.02 Exceeding Limits to Finish Batter

A pitcher is permitted to exceed the maximum limit (for a day) to complete pitching to a batter.

Note #1: Example #1: Pitcher starts a hitter at 43 pitches. At the end of the hitter the pitcher has thrown 47 pitches and the pitcher is removed. The pitcher's pitch count is recorded as 47 and he requires two nights rest. Example 2: Pitcher starts a hitter at 93

pitches. At the end of the hitter the pitcher has thrown 97 pitches. The pitcher must be removed and his pitch count is recorded as 95.

24.03 Pitching on Consecutive Days

Pitchers are not permitted to pitch on four (4) consecutive days. A player can only pitch on a third (3rd) consecutive day if ALL the following conditions are met....

- (i) Games are during Spring Tournaments, Summer, Single Seasons or Provincials
- (ii) His/her total pitch count on the 2 previous days does not exceed Spring "no rest" limit during Spring and does not exceed the Single Season or Summer Season "no rest" limit for his/her Division as defined under Rule 24.01.

Example: A 13U pitcher may only pitch on a 3rd day, if his/her combined total for days 1 and 2 does not exceed 35 pitches.

24.04 Pitching and Catching on the same day

Pitching and catching on the same day is permitted at all age divisions in league and championship play between B.C.B.A. teams unless a tournament is a Western or National hosted in BC, in which case the current Canadian Baseball Rule applies.

24.05 Suspended Games

If a game is suspended the pitchers rest would be determined based on the number of pitches thrown to that point and recorded for that day. If a pitcher is ineligible to pitch at the beginning of a game, that is suspended after the first pitch, the pitcher remains ineligible to pitch in that game when it is completed at a later date.

Approved Rulings:

- A) 13U pitcher throws 70 pitches on Thursday. Friday's game is rained out (prior to the first pitch) and rescheduled for Saturday. Pitcher is now eligible to pitch in Saturday's makeup game.
- B) 13U pitcher throws 70 pitches on Thursday. Friday's game is suspended (after the first pitch) and is completed on Saturday. Pitcher is not eligible to pitch in Saturday's continued game because he was not eligible to pitch when the game began.
- C) 13U pitcher throws 70 pitches on Thursday and the game is suspended and completed on Friday. The pitcher's 70 pitches are recorded on their Thursday pitch count. Pitcher is not eligible to pitch when the game is continued on Friday because he now requires two night's rest. If the game was completed on Saturday the pitcher would be eligible to continue to pitch to their maximum pitch count for a day (15 more pitches). The pitches thrown in the completion of Saturday's game would be recorded on the pitcher's Saturday pitch count.
- D) 13U pitcher throws 20 pitches in the first game on Saturday. Their second game on Saturday is suspended. When the game is completed the pitcher could only throw a maximum of 65 pitches because based on their morning out 65 pitches is all he could have thrown when the game began. Also, the pitcher must be eligible to pitch when the game is completed based on their previous day's pitch count.

Note: These examples all use 13U summer numbers but can be applied to any division using the appropriate numbers

24.06 Pitcher Removed

A pitcher may not pitch twice in the same game. A pitcher who is removed for a pinch hitter or pinch runner during an offensive inning is considered to have been removed from the game as a pitcher for the purpose of this rule. A coach will be permitted to make a second trip to his/her pitcher during the same batter (if the pitcher's pitch count is approaching the minimum rest requirement) to make a pitching change.

24.07 Rules Always in Effect

B.C.B.A. pitching rules are always in effect for all B.C.B.A. teams at all times regardless of whether or not the event is sanctioned by the B.C.B.A.. B.C.B.A. pitching rules will not be in effect for any team participating in a Western or National Championship where the team will be required to follow only the regulations of that governing body.

24.08 Penalty for Violations

(A) **Maximum Pitch Count Violation**

If a pitcher is about to exceed his/her maximum pitch count for the day the opposing manager and/or official scorekeeper and/or tournament director must inform the pitcher's manager before the violation occurs. If a violation is discovered after it occurs the pitcher is simply removed from the mound and no further penalty will be invoked.

(B) **Rest Rule Violation**

If a pitcher pitches without proper rest as defined in Rule 24.01 the game will be forfeited to the opposing team. Such a violation may be protested by the opposing team up to 48 hours after the game upon the discovery of the violation. At a Provincial Championship, the violation must be protested at the time it occurs.

(E) **No Eligible Players Available to Pitch**

If a team does not have any player available to pitch at any point during a game due to Pitch Count and/or Rest Rule, the game shall be forfeited to the non-offending team.

Approved Ruling:

If the violation is discovered while the ineligible pitcher is pitching, the pitcher will be removed from the mound and his manager ejected and suspended. If the violation is discovered after the ineligible pitcher has finished pitching the manager will be ejected and suspended. Games will never be forfeited at provincial championships due to any pitch count violation because the violation should have been discovered before it occurred.

24.09 Enforcement and Tracking

- (A) Managers will be responsible for tracking the pitch count of their pitchers and may assign this duty to their scorekeeper, assistant coach, etc., however it is ultimately the manager's responsibility to ensure pitch count is followed.
- (B) Each team is responsible for maintaining a log of pitches thrown by their pitchers on the form provided by BC Baseball. A team may request to view their opposition's pitch count log prior to a game. A manager failing to maintain an accurate log may be reported to BC Baseball and may face supplemental discipline including the forfeiture of games.
- (C) Under no circumstances will umpires be expected to track or enforce pitch count.

24.10 Tracking at Provincial Championships

- (A) In Provincial Championships the Host Committee shall appoint an adult who is responsible for tracking pitch count.
- (B) The Official Pitch Count Tracker must inform a manager if he is about to use an ineligible pitcher under Rule 27.05.
- (C) The Official Pitch Count Tracker shall either display a running total of each pitcher's pitch count (flip chart) and/or make a public announcement of the pitch count at the end of each inning. A coach may request the current pitch count during an inning if it does not unreasonably delay the game.
- (D) Prior to each game both Managers shall meet with the Official Pitch Count Tracker to determine which pitchers are ineligible to pitch in the game and which pitchers have pitching restrictions (ie. They may be pitched earlier in the day and can throw less than the daily maximum).
- (E) The Host Committee should maintain one "Official Copy" of the pitch count logs that should be signed by each Manager after the game. The Host Committee is encouraged to display and maintain a second copy of the pitch count logs for public view where the tournament results are posted.

Note: Associations are encouraged to adopt this procedure for local tournaments.

Rule 25 Fair Play Rule

Failure to adhere to any stipulations below will result in a minimum forfeiture of the game and a minimum five-game suspension to the coach in charge.

25.01 10U & 11U (Mosquito) Spring

All players in attendance at league games must play at least three complete innings of a six inning game.

26.02 10U & 11U (Mosquito) Summer

No player may sit off for 2 consecutive innings. With the exception of the pitcher, upon re-entering the game defensively, the player **MUST** play 1 full defensive inning comprised of 3 outs or the opposing team scoring the run maximum.

25.03 13U (PeeWee) A; 13U (PeeWee) AA; 15U (Bantam) A; (Spring & Summer)

All players must play at least three complete defensive innings of a six or seven inning game. All players must play at least two complete defensive innings of a five inning game.

25.04 18U AA Spring

All players on the lineup must play a minimum of three consecutive defensive outs and complete at least one official plate appearance.

25.05 13U (PeeWee) AAA Summer (including Provincials)

All players on the lineup must play a minimum of three consecutive defensive outs and complete at least one official plate appearance.

25.06 Single Season Teams

No fair play rules are mandated for 15U AA, AAA and 18U AAA teams. Coaching staffs are required to provide a player agreement form acknowledging the no minimum rule, to be signed by each player and a parent/guardian before the start of league play.

Rule 26: General Playing Rules

26.01 Slide or Avoid

If a play is being made, or is about to be made, it is MANDATORY for players of all age groups to slide or make an effort to avoid a collision at all bases and home plate. Failure to do either will result in an automatic 'out'. The ball is dead and no runner may advance beyond the base that was last legally acquired. An umpire will have the option of ejection if the incident warrants such a measure.

26.02 Force Play Slide Rule

The force-play-slide rule is to ensure the safety of all players by preventing base runners from sliding wide of the base, most often in double play situations, to take out the pivot man who is in a vulnerable position and open to injury. This rule pertains to a force-play situation at any base or home plate, regardless of the number of outs. It does not apply to tag plays. Whether or not the defense could have completed the double play or makes an attempt to complete another play has no bearing on the applicability of this rule.

On any force play, the runner must slide directly into the base (except as described in the exception below). "Directly into a base" means the runner's entire body (feet, legs, trunk and arms) must stay in a straight line between the bases.

It is permissible for the sliding base runner's momentum to carry him through the base on the baseline extended (see diagram), provided the slide begins before the base. The runner may not slide to either side of the base and reach in and touch the base with his hand or foot as would be legal at the professional level.

When a runner does not slide directly into the base, the umpire shall rule interference when:

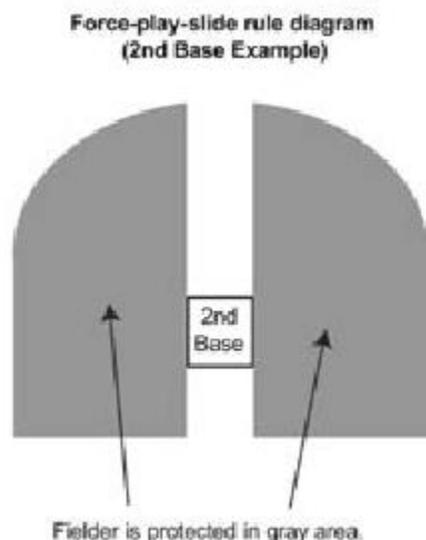

- (i) Any contact occurs between the runner and fielder outside of the straight line between bases or
- (ii) The fielder is forced to avoid contact (by jumping the runner or other means) outside of the straight line between bases. Contact with the fielder is permitted only on a direct slide into the base.

Exception: A runner may slide or run away from a base only if the runner slides or runs in a direction away from the fielder in order to avoid making contact with or altering the play of the fielder. Interference shall not be called.

PENALTY

- (1) With less than two outs, the batter-runner, as well as the interfering runner, shall be declared out and all other runners must return to the base they occupied prior to the pitch. Note: In the event the interfering runner was safe on the play only the interfering runner will be called out but all runners will return to the base they occupied prior to the pitch. If the interfering runner's slide caused him to be safe (caused the fielder to drop the ball) then both the runner and batter are out.
- (2) With two outs, the interfering runner shall be declared out and no other runner(s) shall advance.

- (3) If the runner's slide is flagrant, and injures or had a high likelihood of injuring the fielder, the runner shall be ejected from the game.

26.03 Head First Slides

No head first slides to a base or home plate are allowed in 13U (PeeWee), 11U (Mosquito), 9U (Tadpole) and 7U (Rally Cap/T-Ball). All offending players will be automatically called out. (Diving head first back to a base already legally acquired will be allowed.)

26.04 Bodily Fluids Rule (Blood)

- (A) Any player during a game who is bleeding or who has an open wound, shall be removed from the field of play by the umpires. The player may return to the game only after the bleeding has stopped and the affected or open wound has been completely and securely covered to the satisfaction of the umpires.
- (B) Should the same player start bleeding again or the affected area shows signs of bleeding, the umpires may remove the player for the duration of the game.
- (C) Should any blood be on the players uniform, it must be washed out completely to the satisfaction of the umpire prior to the player returning to the game.
- (D) The substitute player is only a courtesy player until the original player returns.
- (E) If a pitcher, while pitching, suffers an injury referred to in paragraph (a) above, the umpire will call a courtesy time for no longer than fifteen (15) minutes. If the pitcher can not return in this time a pitching change must be made.
- (F) Should a team only have nine players available at the time of an injury referred to in paragraph (a) above a courtesy time will be called for no longer than fifteen

(15) minutes. If the affected player is unable to return after this time then the game will be forfeited.

26.05 Helmet Removal

Any base runner who removes (i.e. Throws helmet off) their helmet while running the base paths, is subject to put out. If, in the judgment of the game officials, a violation occurs the player will receive one warning. If the player in question, after receipt of one warning, is in violation a second time they are automatically called out. If in a given situation the violator represents the 3rd out in any given inning, any previous runs scored will count.

26.06 Infield Fly

The Infield Fly Rule applies in all divisions.

26.07 Minimum Players

A team failing to field at least nine uniformed players within fifteen minutes of the scheduled starting time of the game shall forfeit the game

26.08 Run Limits

House and interlock leagues are free to set their own rules regarding run limits for Spring play.

During summer play, inning run limits are as follows:

10U & 11U (Mosquito)

3 outs or 4 runs will constitute an inning (except that a team may score unlimited runs in its last at bat in the 6th inning). A 10 run mercy rule will apply after 5 innings. If, in the top of the sixth inning (or the top of the fifth if declared open), the visiting team goes ahead by ten or more runs, the coach of the home team will have the option of declaring the game over and concede the win to the visiting team.

13U (PeeWee) A & 15U (Bantam) A

3 outs or 6 runs will constitute an inning (except that a team may score unlimited runs in its last at bat in the 7th inning, plus all extra innings in the event of a tie game).

26.09 Leadoffs

- (A) Leadoffs are not permitted at the 10U & 11U (Mosquito) division. If there is a lead off as described the ball is dead and a no pitch shall be called and the runner(s) will be declared out. Leadoffs are permitted at all other divisions.

- (B) When the pitcher is in contact with the pitching rubber, with the ball in their possession, preparatory to the act of pitching, all base runners shall return to their bases and cannot leave until the pitched ball crossed the plate.

Note: When a runner is making a legitimate attempt to advance to the next base the pitcher cannot return to the mound and stand in a position preparatory to pitching for the purpose of having the runner return to their previous base. The intent of this rule is to eliminate the game of "chicken" played by base runners at this level.

After a pitch, if the catcher has possession of the ball in fair territory, any runner between third and home who stops advancing must return to third base. If a runner does not return to third base and the catcher does not make a play or does not throw the ball back to his pitcher the umpire may call time. If the catcher chooses to make a play on a runner returning to third base the ball is alive and in play. The runner may advance.

26.10 Dropped Third Strike

At the 10U & 11U (Mosquito) divisions, on a dropped third strike the batter is out and may not become a base runner.

At all other divisions the batter is permitted to run on a dropped third strike subject to normal baseball rules.

26.11 B.C.B.A. Authority to Overrule Forfeit

B.C.B.A. has the authority to overrule any umpire's decision to forfeit a game when B.C.B.A. feels the forfeit was not in the best interests of the game or contrary to playing rules. In these circumstances B.C.B.A. may rule the game to be replayed, completed, or left unplaced as they determine is fit.

26.12 Balks

- (A) Balks are called at the 13U (PeeWee) division and higher as per general baseball rules.
- (B) At the 10U & 11U (Mosquito) level balks are not called except as follows: When with runners on base, the pitcher fails to deliver the pitch after beginning his pitching motion, the umpire shall call, "Time...no pitch." The umpire shall relate to the pitcher that he must deliver the ball without stopping his motion as this is a ball. No runner may advance on the call. Any subsequent failure to deliver the pitch after starting his motion, the umpire shall call, "Time, ball," and then charge the pitcher with a ball. No runners may advance on the call.

Note: The intent of this rule is to prevent pitchers from stopping their delivery to home plate when they see a batter square to bunt.

Rule 27: Illegal & Ineligible Players

27.01 Definition of Illegal Player

An illegal player is one who is not legally a member of the League or Team for any reason including but not limited to the requirements as to age and/or residence.

27.02 Penalty for Illegal Player

- (A) Playing illegal players shall result in forfeiture of games in which players participated illegally if protested by any of the League managers or officers in writing at any time during the season..
- (B) Any manager or coach who has an illegal player(s) on their roster and plays the said player(s) shall be immediately suspended from coaching within B.C.B.A. pending a ruling and decision by the discipline committee of B.C.B.A..

27.03 Definition of Ineligible Player

An ineligible player is one who is legally a member of the League, but who is ineligible to pitch because of a pitching regulation or rule violation, or is ineligible to play a particular game because they have been in the lineup once and has been removed from the game, or has been declared ineligible for other cause.

27.04 Penalty for Ineligible Player

Penalty for the use of ineligible player/pitcher shall be the immediate removal of the pitcher from the mound as pitcher or other player from the game and the removal of the manager/head coach from the game upon appeal by the opposing manager, or notification by the official scorer or League official, provided the official scorebook or other League records verify the ineligibility of the player concerned. The manager/head coach also becomes ineligible to manage/coach in the team's next game in the case of an incorrect substitution and next two games in the case of a pitching violation. Note: In the case of an incorrect substitution the team must replace the player with a legal sub. If the team does not have any legal "Fresh" subs the game shall be declared a forfeit.

For purposes of interpreting this rule, a player should not be considered in violation of the rules until at least one legal pitch has been thrown after the violation has occurred.

27.05 Requirement to Report Ineligible Player (Single Season and Provincial Championship)

It is the responsibility and duty of the Tournament Director, official scorekeeper, opposing manager or coach, or any other official to prevent a player becoming ineligible (such as a pitcher, pitching too many pitches), by warning the manager or coach of the player concerned.

Rule 28: Protests and Penalties

28.01 7U (Rally Cap/T-Ball), 9U (Tadpole), 10U & 11U (Mosquito)

Protests shall not be permitted at the 10U & 11U levels during summer league play and zones except those based on the use of ineligible or illegal players. Protests are permitted at the 10U & 11U Provincial Championships.

28.02 Protest Procedure (Summer League or Single Season)

- (B) If a protest is based on an interpretation of the rules, the objecting manager must at the time the play occurs, notify the head umpire, the opposing manager and official scorer that the game is being played under protest, and submit the protest in writing within 48 hours of the completion of the game. For spring games, this protest should be submitted to the local league or association. For summer games the protest should be submitted to the BC Baseball protest committee with copy to the divisional director

28.04 Protest Committee (Provincial Championships)

The B.C.B.A. Director assigned to the Championship will rule on all protests. The Director may choose to add other individuals to the Protest Committee, specifically the umpire in chief or other B.C.B.A. Directors who may be present; however, the final decision always rests with the Director assigned to the Championship.

28.05 Protest Procedure (Provincial Championships)

When a manager/head coach believes an umpires decision is in violation of the playing rules (no protest may be made on a judgement call) he/she may elect to inform the game Crew Chief that he/she is lodging a protest. This notification must occur before the next pitch/play.

Once the protest is announced the following procedure shall apply:

- (i) The Crew Chief shall suspend play and inform the manager of the opposing team and the Protest Committee of the protest.
- (ii) Both teams shall be sent to their respective dugouts or dressing rooms.
- (iii) Before the Protest Committee hears the protest the protesting manager/head coach must put forward a protest deposit fee of \$ 50 cash. Should the protest be upheld, the fee will be returned. Should the protest be denied the fee will be retained by B.C.B.A..
- (iv) The Protest Committee, both managers/head coaches and the game CREW Chief shall retire to a private area away from the teams, spectators, and other persons off the field of play. The Protest Committee shall first hear the game crew chief. Secondly, the protesting manager/head coach shall have the opportunity to explain his/her protest. Thirdly, the opposing manager/head coach shall be given an opportunity to explain his perspective. Once the protest committee has concluded their investigation and interviews the managers/head coaches and game crew chief shall then leave while the Protest Committee discusses the protest in consultation with the tournament umpire in chief. Before ruling on the protest, the Protest Committee may confer with any person whom they believe may be helpful in assisting them to reach a decision.
- (v) Once the Protest Committee has reached a decision the B.C.B.A. Director in Charge will advise the game crew chief and both managers/head coaches of the decision. The game Crew Chief shall put the decision into effect and order resumption of play from the point of suspension. No further argument or comment on the protest shall be entertained. The decision of the Protest Committee shall be final. There shall be no appeal to any other body.

28.06 Protest of Illegal Players at Provincial Championship

No protest shall ever be permitted in a Provincial Championship for the use of illegal players not challenged and proven before the scheduled starting time in question.

Rule 29: Provincial Championship Tiebreaking Rules

29.01 Tiebreaker

The round robin tie breaking rules are set out below. Please note the following:

Statistics are calculated based upon the games between the teams that are tied with each other, and not all of the games in the competition.

If the first part of the rule places one team above others in the case of three or more teams involved in the tie, but the remaining teams are still tied, then the remaining parts of the rule are applied using statistics from the matches involving all of the original teams in the tie.

In the event that a team involved in a tie has forfeited a game played between tied teams they will be automatically eliminated from the tie and the criteria above will be used to determine placement between the remaining teams.

Order

The team with the best win/loss record in the game(s) played between the tied teams will place higher in the standings.

- (A) If the tie persists, the placement of teams will be dictated by the ratio of number of runs allowed per defensive inning. A defensive inning is defined as having taken the field and a pitch thrown.
- (B) If the tie persists, the placement of teams will be dictated by the ratio of runs scored per offensive inning. An offensive inning is defined as having been at bat for at least one pitch.
- (C) If the tie persists, then the team with the best won/loss record against the highest placed team not in the tie, followed by a comparison to the next placed team, etc., will place higher in the standings.
- (D) If after the application of the four rules, there still remains a tie, then the four rules will be reapplied to the remaining tied teams, except that the statistics will be based on the games between only the remaining tied teams, and not all of the teams in the original tie.
- (E) 10U & 11U (Mosquito) Divisions Only – if a tie persists then the records of all teams in the pool shall be used to determine the tie breaker.

29.02 Tiebreaker Game (Applies to 15U and 18U ONLY)

This rule applies to any Provincial Championship using a round robin format where the top two teams from each group advance to the semi-finals. In the event that there is a three way tie for first place (three teams at 2-1 or 3-1 depending on the size of the group) the tiebreaking rules as outlined in Rule 29.01 will be used to rank the teams. (Note: This rule does not apply to a tie for second place where teams have 2 or more losses) The team ranked first will advance to the semi-finals. The 2nd and 3rd place teams will play a tiebreaker game to determine the second place team. The ranked second in the tie will be the home team for the tiebreaker game. This game will be written in the Provincial schedule by B.C.B.A. and Rule 20.06 may apply. The purpose of this rule is to ensure that teams are no longer eliminated from a provincial with only one loss.

Rule 30: - 7U (Rally Cap) Specific Rules

30.01 7U (Rally Cap) will follow the rules set out in the Baseball Canada Rally Cap Program.

Rule 31 - 9U (Tadpole) Specific Rules

31.01 Preamble

The B.C.B.A. is pleased to provide to its member affiliates the following rule variations covering minor divisional play in the 9U (Tadpole) Division. It is hoped that the SUGGESTED FORMAT be adopted into each organization's respective programs. It is designed to get young people interested in the game of baseball by stressing and maintaining active participation of all the players; with mandatory and total free substitutions each inning and EMPHASIS PLACED ON TEACHING THE FUNDAMENTALS OF BASEBALL.

IMPORTANT:

All rules as listed in this hand book shall apply and unless specifically mentioned, all regular rule interpretations shall apply. The only differences are contained in the following.

The playing line is the distance down the first and third base lines and from the tip of home plate and shall be fifteen feet (15'). A chalk line or other white material is then arched across the playing field.

A Fair Hit Ball is a legally batted ball that in the plate umpire's opinion will or could have firmly crossed the playing line, in fair territory, even if it is fielded before crossing the line.

A Dead Hit Ball is a legally batted ball that in the plate umpire's opinion will not or could not have firmly crossed the playing line, even if it is fielded. But, if the ball is in flight and is caught the batter is out and the ball is alive.

- 2) Draws may be amended for Opening Ceremonies & Skills Competitions.
- 3) When tournaments use two fields directors must consider whether to have one group play on each field or whether to balance each groups game's between the two fields. When one field is clearly of higher quality the Director **must** balance the games among fields...
- 4) Directors should balance home and away games on the draw. Single Season leagues must give the choice of home team to the higher seed.
- 5) Directors should consider the wishes of the host when determining provincial draws.
- 6) When using two fields for the round robin, directors must consider whether to play both semi-final games at the same time on different fields or at different times on one field.
- 7) Directors can choose to play games in any order they desire. Teams should not play back to back games including playing the last game in the evening followed by the first game in the morning.
- 8) Monday is always saved as a rain day and teams must be prepared to play in the event of weather.
- 9) Provincial draws, seeding, etc. **must** be forwarded to all teams with their summer league schedule.

10 Team Provincial Draws

There are three options for the organization of this draw.

Option A:

Thursday	2 games per group 3/6
Friday	4 games per group 9/12/3/6
Saturday	4 games per group 9/12/3/6
Sunday	Semi Finals Finals

The disadvantage with this draw is that one team in each group does not play Thursday and plays 2 games both Friday and Saturday. This draw does not give any room for make-up games should there be rain. The advantage of this draw is it allows more time for teams to travel to the tournament on Thursday.

Option B:

Thursday	4 games per group 9/12/3/6
Friday	4 games per group 9/12/3/6
Saturday	2 games per group 9/12
Sunday	Semi Finals Finals

The disadvantage of this draw is that one team in each group does not play on Saturday and has an advantage for Sunday. In 15U (Bantam) AAA this advantage can be given to the higher seeds who earn their position in league play.

The advantage of this draw is there is time on Saturday for make-up games in the event of weather. In 15U (Bantam) and 18U (Midget) this is a recommended draw because it guarantees tiebreaker games can be played on Saturday evening at 4:30.

Option C:

Thursday	3 games per group 12/3/6
Friday	4 games per group 9/12/3/6
Saturday	3 games per group 9/12/3
Sunday	Semi Finals Finals

This is the recommended draw for 13U (PeeWee) because each team plays at least one game each day. The #1 seed in each group should have their DH on Thursday. Seeds 2,3,4 in each group should have their DH on Friday. Seed 5 in each group should have their DH on Saturday.

This draw could be used at 15U (Bantam) and 18U (Midget); however, when three round robin games are played on Saturday it is difficult to play a tiebreaker game if it is required. If the teams involved in the tiebreaker had not already played 2 round robin games on Saturday the tiebreaker could be played on Saturday at 6PM. Otherwise the tiebreaker would have to be played Sunday morning and if the team winning the tiebreaker game also won their semi-final then the final would be moved to Monday.

Appendix C

Rule 13.11 EXAMPLES

Acceptable Example 1

Play: Pitcher drops the ball on the rubber with no runners. Umpire calls a ball.

Coach: Could you please explain to me why you have called a ball on the play?

Umpire: Because your pitcher dropped the ball on the rubber.

Coach: My understanding of the rule is that the ball would have to cross the foul line in order to call a ball

Umpire: No any time a pitcher drops the ball it's a balk or a ball.

At this point, it's clear that the umpire and the coach have a different interpretation on the rule.

3 choices by the coach

1. Request the umpire to speak to his partner
2. Protest the game
3. Walk away

Acceptable Example 2

Play: Ground ball to short stop. Runner from second is running on the baseline and slightly bumps the short stop as he is fielding the ball. All runners are safe.

Coach: Can you please explain to me what happened on that play?

Umpire: The fielder was in the runner's way when the runner bumped him so I didn't call anything.

Coach: So there was contact while my short stop was fielding the ball.

Umpire: Yes

Coach: My understanding of the rule is that the fielder has priority on that play even if he's in the runner's way.

Umpire: That's not my understanding.

At this point, the coach has established what the umpire has seen and that the umpire and the coach have a different interpretation on the rule.

3 choices by the coach

4. Request the umpire to speak to his partner
5. Protest the game
6. Walk away

Acceptable Example 3

Play: Ground ball to SS and throw to first baseman may have pulled his foot off the base.

Coach: The plate umpire may have had a better look at whether the first baseman held his foot on the base on that play. Would you mind talking to him?

At this point the coach will have nothing more to say about the play. If the umpire refuses to get help the coach needs to walk away. If the umpire gets help and the call stands there's nothing more for the coach to say.
